

Evening and Weekend Appointments for Patients of the Spitalfields Practice

Our patients have access to pre-booked weekend and evening appointments with a GP, Nurse and Pharmacist at one of our neighbouring practices, Blithehale Medical Centre in Dunbridge Street.

**The Blithehale Health Centre
22 Dunbridge Street
London
E2 6JA**

**Approx – 10 minutes walking or 3 minutes cycling from
The Spitalfields Practice**

GP appointments can be booked for a variety of issues but CANNOT be booked for the following:

- Private Medicals & Home Visits
- Repeat Prescription (unless in an emergency)
- Private Referrals, Letters & Statutory Sick Note
- Referrals to NHS services (except for Two Week Waits)
- Minor surgery, Minor Burns and scalds
- Long Term Condition care where care continuity is essential

Pharmacist appointments CAN be booked for:

- Supplies or synchronization of repeat medication
- Management of infection (UTI and Eye Infection)
- Medication review for dyspepsia, migraine, acne or hay fever
- Management of stable asthma (steps 1-3) or controlled hypertension in adults or
- Eczema controlled with emollients in adults or children and
- Review of regular oral contraception in low risk women

Nurse appointments CAN be booked for:

- Complex wound care
- Contraception initiation
- Sexual health check up
- Contraception
- Asthma review
- Ear syringing
- Cervical Smear

To book an appointment please contact The Spitalfields Practice reception (note: Blithehale Medical Centre does not book appointments for our patients directly).
